### Haworth

Choices, choices, choices. The **X Series** is a comprehensive system with a full line of storage units. The three high combo unit has multiple uses and comes in a variety of woods, translucent material, and trim colors. One Haworth Center, Holland, MI 49423; 800-344-2600; [haworth.com](http://haworth.com). **circle 441**

### ICF Group

Classic modernism and perfection in form describe Gunilla Allard's **Saturn** table. A pure ellipse, functional in any office situation. White laminate top on legs of tubular steel, with polished-chrome or powder-coat finish. 920 Broadway, New York 10010; NY 800-237-1625; [icfgroup.com](http://icfgroup.com). **circle 442**

### Farrago Design

Natural landscapes and photography are the inspiration for the **Ansel FDH 07.6** cocktail table in cast-aluminum alloy with a matte silver finish. Available in a variety of other finishes and an optional 1/2 inch sandblasted glass. 504 Laguardia Place, 5th Floor, New York, NY 10012; 212-473-7191; [farragodesign.com](http://farragodesign.com). **circle 446**

### Duravit USA

Philippe Stark's **Stark 1.2.3** collection for the bath is awash in clean lines and modular pieces. The line includes: mirrored cabinets, under-the-sink storage, and tall freestanding cabinets on wheels; all constructed of white melamine and thermoplast. 1750 Breckenridge Parkway, 500, Duluth, GA 30096; 888-387-2848; [duravit.us.com](http://duravit.us.com). **circle 443**

### House of European Design/Behr International

The chests from the **Metrix Modo** collection are modular-case configurations on a steel base in wood or matte finishes. SF Design Center Galleria, Suite 430, 101 Henry Adams Street, San Francisco, CA 94103; 800-830-4633; [design-eu.com](http://design-eu.com). **circle 445**

### Nucraft

The Swiss Army Knife of conference tables, Neocon Gold Award winner, impeccably styled **Avid** integrates and houses a wide variety of diverse electronic components in a seamless blend of technology. Avid's versatile design aesthetic can go ultra-tech or classic with a range of sizes and mix of materials. 5151 West River Drive, P.O. Box 429, Comstock Park, MI 49321; 877-682-7238; [nucraft.com](http://nucraft.com). **circle 444**
