

A photograph of a curved, wood-paneled interior space, possibly a hallway or a room. The walls and ceiling are made of dark wood with a horizontal grain. Two thick, dark wooden beams curve across the space. In the foreground, a shallow, wide wooden bowl sits on a light-colored surface, illuminated by a spotlight. The overall atmosphere is warm and modern.

6. Meterc Riccardo presents Boomerang Avangarde, a laser-cut metal chair varnished in either chrome or powder metal. Backing can be altered to plaited straw or leather. Log on to www.meterc.com or circle 259

7. Hola, from Cassina, has a wrapping back rest which can be upholstered in leather, fabric, or felt. Hannes Wettstein's design is enhanced by the stitching details and zippers that line the inside legs. Call 631.423.4560, log on to www.cassinausa.com, or circle 260

8. Farrago Design's Soufflé chair is constructed of solid teak wood framework and finishes include natural teak, rosewood, and walnut. Call 212.473.7191, log on to www.farragodesign.com, or circle 261

Novella lounge chairs and Café Twist barstools from MTS are right at home in the Big Apple Bar & Grill at the New York, New York Hotel and Casino, Las Vegas, Nevada.

Style, comfort, performance, value. For the whole story, call us at 734-847-3875 or visit us on the web.

Seating's only half the story.
